

...at the **forefront**  
of **survival**  
technology

- World-wide reputation for outstanding service in the safety and survival equipment industry
- Complete range of commercial and leisure products specific to individual requirements
- Flexibility of an extensive global servicing network
- Quality management system approved to ISO 9001:2000 ANSI/ASQ Q9001:2000

\*Above dimensions are outside measurements.

Elliot offers a complete line of inflatable rafts and IBA's for Military, Merchant Marine, Commercial Fishing, Passenger and Recreational vessels and other marine applications. Our rafts are U.S. Coast Guard - SOLAS approved and also carry the approvals of various worldwide authorities. Elliot Life Rafts are packed in rugged deck mountable fiberglass containers. Small in profile, the Elliot life raft container remains secure and resistant to the harsh marine environment.

The Elliot design is manufactured using polyurethane coated nylon fabric and is high frequency welded for added consistency & durability. Urethane polymers are renowned for their abrasion and cold cracking resistance and are much less affected by: hydrolysis, ozone attack, fuel and chemical attack compared to other materials used in the life raft industry.

Davit Launch Life Rafts are also available for shipboard and oil/gas platform applications.

Elliot products are manufactured by RFD Beaufort, Inc., the largest U.S. manufacturer of marine life rafts and are supported by a worldwide network of factory trained and approved service stations.

### Marine Safety Engineering Support

As a worldwide leader in marine safety solutions, we provide engineering support services to naval architects, shipyards and owners.

We are experienced in marine safety legislation and can provide custom designs and on-board installations.

DAVIT LAUNCH CONTAINER SPECIFICATIONS							
Raft Capacity	Weight (lbs.)	Container Dimensions (in.)			Inflated Dimensions		
		L	W	H	Length	Beam	Height
12 A	257	54.75	23.00	21.25	114.25	114.25	75.00
12 B	193	49.75	20.50	19.25	114.25	114.25	75.00
